Playaway Permission Form

Playaways are the first self-playing digital audio book. They are the simplest way to listen to a book on the go. Simply plug in its earphones and enjoy. No cassettes or CDs. Just listen.

Playaways are now available for student checkout in our library media center. However, because *Playaways* are more expensive than books, students need a signed parent/guardian permission slip on file in the library before they can check out a *Playaway*.

Students who check out *Playaways* take full responsibility for returning them in good condition. Students will be charged a replacement cost for lost or damaged *Playaways*. *Playaways* range in price from \$55.00 - \$85.00 and earbuds are \$3.00 per pair.

Student & Parent:

Please sign and return to media center. This will remain on file during the duration of your student's OCMS career.

My child _____ has permission to check out a *Playaway*, and I will take full responsibility for replacement cost if the *Playaway* is damaged or lost.
