Chairperson Fletcher stated that the Board would need to go into executive session to pursuant to KRS 61.810(1)(c) to discuss one litigation matter pertaining to a student injury; one litigation matter pertaining to a non-student injury, and a special education matter; litigation preparation under the public disclosure of which would jeopardize the Board's position. Chairperson Fletcher then called for motions of the Board to go into executive session; on a motion by Larry Dodson, seconded by Patrick Kehoe, and unanimously carried, the Board went into executive session pursuant to KRS 61.810(1)(c) at 5:20 p.m. (4-0).

The Board returned from executive session at 6:35 p.m. Coming out of Executive Session, Chairperson Fletcher made the following statement:

In conformance with the Superintendent's contract, the Board is required to perform a year-end evaluation on or prior to the July Board meeting.

In keeping with KRS 156.557, while in executive session, the Board conducted a preliminary discussion of the year-end evaluation of the performance of Superintendent Schultz in closed session.

The process of conducting the superintendent's evaluation was as follows:

- *Evaluation documents were sent out to the board members in May.*
- *Board members were given approximately two (2) weeks, to complete their documents and return them to me. The Board members were asked to use the following indicators:*
 - *Exemplary*
 - *Accomplished*
 - *Developing*
 - *Growth Required*

Board members were encouraged to provide comments when appropriate.

These preliminary results were discussed, and a formal evaluation was prepared in executive session today.

The evaluation document centers on the 2018/2019 standards adopted by the Board for the superintendent. The standards include:

1. *Strategic Leadership (vision, mission, review of data)*
2. *Instructional Leadership (teaching & learning)*
3. *Cultural Leadership (trust & support in the community)*
4. *Human Resource Leadership (highly effective, diverse staff)*
5. *Managerial Leadership (operations and resources)*
6. *Collaborative Leadership (partnerships, success after graduation)*
7. *Influential Leadership (board relationship, policies & regulations)*

*Mr. Schultz received a rating of **Exemplary** on 6 out of 7 of the Standards, and **Accomplished** on 1 Standard(s) Managerial Leadership.*

It is the consensus of this Board that Mr. Schultz did an exceptional job this year as superintendent. We are very pleased with the climate and culture throughout the district under his leadership. The Board challenged Mr. Schultz in several areas and he has made nice progress in those areas. We look forward to continuing to work with Mr. Schultz, as we all remain committed to student learning for all students.
