

Countdown to Kindergarten

BOOTH REGISTRATION FORM

Sponsored by: Oldham County Community-
Early Childhood Council

Dear Community Stakeholder,

You are formally invited to participate in the 1st Annual Countdown to Kindergarten events.

WHO: Children birth to 6 and their families.

WHY: 30% of children in Oldham County come to Kindergarten NOT READY for SCHOOL.

HOW: Join us at a community event designed to provide families of children birth to age 6 opportunities to practice kindergarten readiness skills. (Join us in sharing our message: Kindergarten readiness learning starts at birth, parents are their child's first teacher and parent-child interactions at home are a valuable tool.)

BOOTH EXPECTATIONS: Share your program information AND facilitate a parent engagement activity that address an area of readiness (cognition, motor/physical and self-help. See attached activity sheets to select an activity to share with families at the events). At each booth, **parents work with their children** practicing a "readiness" activity and are rewarded with a stamp, and information on the readiness skill so that the family can continue their work on kindergarten readiness skills at home.

Set up time is 10-10:55... Booths must remain open during the entire event time. *YOU MUST PROVIDE YOUR OWN TABLE, CHAIRS, and parent child activity materials.* TENTS/large umbrellas are permitted for overhead shade.

FEE: No fees. The events are all FREE to the public and FREE to those invited to host a booth.

DATES: (You are invited to host a booth and the same activity at any or all 3 events listed below.)
