## SBDM Council Minutes

Monthly Meeting

October 13, 2021

4:00pm

### 1. Opening Business

Approval of the agenda - 1st Atherton, 2nd Spurlock

Approval of September Minutes - 1st Spurlock, 2nd Mattera

Good News Report - Mr. Hunsaker reported that SOMS has had the least amount of COVID cases in the district as a Middle school (SOMS is the largest in numbers and smallest in space) so mitigating is working.

Teacher and Staff and Parents are looking forward to Fall Break.

Spirit week has been great and fun and students have been participating.

Mattera thanked PTO Hospitality for a week of snacks and stated the teachers and staff really enjoyed it and it was a great timing.

Great awareness and buy in from students regarding in school activities and extra curricular.

Public Comment - None at this time

### 2. Student Achievement Report

#### Student Achievement Update

KPREP Results: Showed a difference from what was in the past.

Typically OC district out paces the state. Participation is not 100% bc it was optional so 781 students took the test.

Results are available to the public.

Science was close to normal

On Demand writing was considerably higher than in the past.

MAP Projected Proficiency:

MAP was pretty spot on in terms of what KPREP showed but testing shows positive. Mr. Hunsaker feels that academic needs are not

as great as one would have thought but social emotional needs are greater from being isolated.

### 3. Budget Report

#### Monthly Budget Update

In good standing financially at this time. 1st Atherton and 2nd Spurlock

### 4. New Business

#### School Report Card Progress

Phase 2 is active and going well.

### 5. Bylaw/Policy Review

EMP Policy - Mr Rairick is in charge of this document and he makes sure that it is approved. It is a 5 page document that details provisions from emergency departments. Date revised with new zone leaders. Policy reviewed in detail.

#### Regular and Special Meetings -

Process is state dictated for SBDM to follow.

#### Open and Closed Sessions -

Process is state dictated for SBDM to follow. SOMS SBDM allows for public comment as long as the individual submits a request and plans of what to discuss.

Motion to adjourn closed session 4:51 PM 1st Atherton 2nd Mattera
